Re: United States v. Irma Nusfaumer

Dear Judge Matsumoto:

Pursuant to Chief Judge Dearie's Administrative Order dated February 27, 2008 ("Administrative Order"), the government hereby certifies to the Court that the above-captioned case is properly related to United States v. Courtney Dupree et al., 10 CR 627 (KAM) ("Dupree").

The Administrative Order provides in relevant part:

[N]otwithstanding any provision of Rule 50.3 of the Rules for the Division of Business Among District Judges, the Clerk of the Court is directed to assign all criminal cases randomly, unless the United States Attorney certifies in writing at the time of filing that a case to be assigned satisfies one of the three conditions in Rule 50.3(c), or involves the same specific conduct that is a subject of a pending case.

This letter constitutes the certification contemplated by the Administrative Order. Relation is appropriate in this case pursuant to the Administrative Order because Irma Nusfaumer's case involves "the same specific conduct that is a

subject of a pending case," namely Dupree. Specifically, Nusfaumer is charged with participating in the same conspiracy charged in Dupree. Relation is therefore appropriate.

Respectfully submitted,

LORETTA E. LYNCH
United States Attorney
